Junior League of Oakland-East-Bay

Presents Find A Truck

A Family-Friendly, Covid-conscious, Socially-Distanced Scavenger Hunt

Northern East Bay, CA. – On **Saturday, April 17**, The Junior League of Oakland-East Bay (JLOEB) invites families with children of all ages and adults for a safe, socially-distant scavenger hunt event that is guaranteed to be more fun than a virtual one! The event is set to begin from 9:30 am to 2 pm.

The original event, *Touch a Truck*, was set to launch in 2020 but was canceled due to the COVID-19 pandemic and social distancing requirements. For JLOEB to continue its fundraising efforts, *Touch a Truck* was creatively reinvented this year to ***Find-a-Truck Scavenger Hunt***.

Find a Truck is a socially-distant scavenger hunt event for families and folks of all ages. It is a unique event that allows children to still see, find, and learn about their favorite big trucks and heavy machinery – but now from the safety of their own vehicle! Vehicles on display will include tractors, big rigs, emergency responders, tractor-trailers, utility trucks, and more!

The scavenger hunt locations will include: *Concord, Walnut Creek, Lafayette, Orinda, & Moraga*, Ticket prices for the event will be \$20 per vehicle and plan to go on sale the week of March 15th!

The Junior League of Oakland-East Bay organizes these types of fundraisers to support the League's efforts to improve the lives of children and families in the community. Last year we were able to donate \$7,000 to '18 Reasons,' a nonprofit cooking school on a mission to empower our community and 'Love Never Fails,' an organization created to stop human trafficking.

To register and purchase a ticket for *Find a Truck*, or if you own a business and want to support, or know of a business that would be interested in sponsoring, please visit us at: www.jloeb.org/findatruck

For the safety of the community, the league is taking all reasonable precautions to keep our communities safe and informed.

- Any person who is unsure whether it is safe for them participate due to a health condition or otherwise should opt out.
- In addition to a purchased ticket, participants will need to complete a waiver to explicitly acknowledge they are voluntarily participating in the activity and Junior League of Oakland-East Bay will not be held liable if they later test positive for Covid-19 or suffer any other injuries or harm while participating in the activity.
- Participants must continue to adhere to any and all applicable public health orders, whether federal, state, or local, in particular that the activity should be done with members of the same household, physical distancing and mask wearing should be observed.
