

JUNIOR LEAGUE OF OAKLAND-EAST BAY

Dear Community Partner,

The Junior League of Oakland East-Bay, Inc. (JLOEB) is pleased to announce our 2018-2019 application process for **Community Impact Volunteer Days**.

We are excited to continue our service to the East Bay community. Our members are eager to assist your agency with short-term projects, and events, in Alameda and Contra Costa Counties. JLOEB will provide up to 20 volunteers total, for shifts of 3 hours in one day.

The activities most sought are those directly supporting the JLOEB mission of helping families achieve self-sufficiency. Activities that are of our greatest interest are those that help support the provision of clothing, food, housing, and jobs to families. We are available to discuss your particular focus, and how we are able to work with you to support our community!

We encourage you to submit a 'Community Impact Volunteer Days' application at your earliest opportunity; applications are reviewed as received.

JLOEB invites you to review the attached application for specific requirements, deadlines, and additional information pertaining to Community Impact Volunteer Days. We look forward to hearing from you!

Sincerely,

Kelsey Wheaton
