We Are
JUNIOR LEAGUE OF
OAKLAND-EAST BAY

Since our founding in 1935, the Junior League of Oakland-East Bay has been identifying problems and finding solutions. We are women committed to promoting voluntarism, developing the potential of women and improving communities through the effective action and leadership of trained volunteers. We are **Women Building Better Communities** by supporting organizations that focus on women and children.

Joining Junior League provides many benefits. The most significant is the personal satisfaction that comes with making a positive contribution to your community while making long-lasting friendships. As a member of **Junior League of Oakland-East Bay (JLOEB)**, you will volunteer in Contra Costa and Alameda Counties, develop new leadership skills and build stronger communities.

You will create bonds and relationships with a diverse group of dedicated, talented women. You will learn about the East Bay communities and how to collaborate with organizations to achieve a common goal. As a member, you will receive training. You will sharpen your skills in areas like public speaking, fundraising, advocacy, volunteer development, marketing, public relations, financial analysis and budgeting, strategic planning, nonprofit administration and program development.
